Judd T Carroll DMD PC has established options for payment to ensure that we are able to give you and your family quality care while controlling our costs. We ask that you read and sign this document before accepting treatment with our office with the understanding that payment is due at time of service.

Major services that require multiple appointments may be split into two equal payments, one due at the first appointment, and the other at the delivery appointment.

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.³

The estimated amount not covered by insurance may be paid by one of the above options. Your estimates are subject to final approval by your insurance company; therefore, the amount due to our office is subject to change. I understand that my insurance is an agreement between me and my insurance company. I also understand that I am responsible for my balance regardless of my insurance.

Dr. Judd T Carroll charges \$25.00 for returned checks and a fee of \$35.00 is charged for patients who miss or cancel without 48-hour notice.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
